JS ID#	USER STORY	TASKS	HOUR ESTIMATE	ASSIGNED TO
1	As a reader, I want the product to be mobile, so that I can use it anywhere	Design wireframe for the application	6	Team (2 hours each)
		Setup iOS development environment	8	Kat
24	As a reader, I want the view of a page to look close to the fidelity of a page in an actual book, so that it's full story impact is maintained regardless of the medium	Design page layout	6	Team (2 hours each)
		Generate wireframe for page layout	2	You
		Write source code for page layout	8	Alexa
		Review source code for page layout	1	Kat
		Write acceptance criteria for page layout	0.5	Kat
		Write acceptance tests for page layout	0.5	Kat
		Execute acceptance tests for page layout	1	You
		Write internal documentation for page layout	1	Alexa
	As a reader, I want the background of books to be off-white (as opposed to bright-white), so that I don't strain my eyes when I'm reading	Write source code for off-white backgrounds	0.25	Alexa
		Review source code for off-white backgrounds	0.25	Kat
25		Write unit tests for off-white backgrounds	0.25	Alexa
25		Write acceptance criteria for off-white backgrounds	0.25	Kat
		Write acceptance tests for off-white backgrounds	0.25	Kat
		Execute acceptance tests for off-white backgrounds	0.25	You
	As a reader, I want to be able to read material without a partner, so that I can read and practice at my own pace	Write source code for solo reading	0.5	Alexa
		Review source code for solo reading	0.5	Kat
		Write unit tests for solo reading	3	Alexa
26		Write acceptance criteria for solo reading	1	Kat
20		Write acceptance tests for solo reading	1	Kat
		Execute acceptance tests for solo reading	1	You
		Write internal documentation for solo reading	0.5	Alexa
		Write user manual for solo reading	0.5	Alexa
	As a reader, I want the application to work in both portrait and landscape orientation, so that I can choose the way I view material	Write source code for portrait and landscape modes	6	Kat
		Review source code for portrait and landscape modes	0.5	Alexa
		Write unit tests for portrait and landscape modes	1	Kat
27		Write acceptance criteria for portrait and landscape modes	0.5	Alexa
		Write acceptance tests for portrait and landscape modes	0.5	Alexa
		Execute acceptance tests for portrait and landscape modes	0.25	You
		Write internal documentation for portrait and landscape modes	1	Kat
		Write source code for pictures in content	4	Kat
	As a reader, I want any pictures	Review source code for pictures in content	1	Alexa
		Write unit tests for pictures in content	1	Kat
28	associated with the content to appear with	Write acceptance criteria for pictures in content	0.5	Alexa

	reading material	Write acceptance tests for pictures in content	0.5	Alexa	
	rodaling material	Execute acceptance tests for pictures in content	0.5	You	
		Write internal documentation for pictures in content	1	Kat	
29	As a reader, I want to be able to adjust font size, so that it is easier to read	Write source code for adjustable font sizes	3	Alexa	
		Review source code for adjustable font sizes	1	Kat	
		Write unit tests for adjustable font sizes	1	Alexa	
		Write acceptance criteria for adjustable font sizes	0.5	Kat	
		Write acceptance tests for adjustable font sizes	0.5	Kat	
		Execute acceptance tests for adjustable font sizes	0.5	You	
		Write internal documentation for adjustable font sizes	1	Alexa	
	As a reader, I want to be able to connect with a remote user, so that I know if I have access to someone with whom I can read	Write user manual for adjustable font sizes	1	Alexa	
		Write source code for connecting with remote user	16	Josh	
		Review source code for connecting with remote user	2	Alexa	
		Write unit tests for connecting with remote user	0.5	Josh	
32		Write acceptance criteria for connecting with remote user	0.5	Alexa	
32		Write acceptance tests for connecting with remote user	1	Alexa	
		Execute acceptance tests for connecting with remote user	2	You	
		Write internal documentation for connecting with remote user	1	Josh	
	As a reader, I want to read with a connected reader using audio, so that we can read together	Write user manual for connecting with remote user	1	Josh	
		Write source code for connecting with audio	0.5	Josh	
		Review source code for connecting with audio	0.5	Alexa	
		Write unit tests for connecting with audio	16	Josh	
33		Write acceptance criteria for connecting with audio	1	Alexa	
33		Write acceptance tests for connecting with audio	2	Alexa	
		Execute acceptance tests for connecting with audio	0.5	You	
		Write internal documentation for connecting with audio	1	Kat	
		Write user manual for connecting with audio	1	Kat
