ASSOCIATED USER STORY	TASK	ESTIMATED TASK TIME	DATE COMPLETED
1	Design wireframe for the application	6	4/11/2016
1	Setup iOS development environment	8	4/11/2016
24	Design page layout	6	4/11/2016
24	Generate wireframe for page layout	2	4/11/2016
24	Write source code for page layout	8	4/13/2016
24	Review source code for page layout	1	4/13/2016
24	Write acceptance criteria for page layout	0.5	4/13/2016
24	Write acceptance tests for page layout	0.5	4/13/2016
24	Execute acceptance tests for page layout	1	4/14/2016
24	Write internal documentation for page layout	1	4/15/2016
25	Write source code for off-white background	0.25	4/12/2016
25	Write unit tests for off-white background	0.25	4/12/2016
25	Review source code for off-white background	0.25	4/13/2016
25	Write acceptance criteria for off-white background	0.25	4/13/2016
25	Write acceptance tests for off-white background	0.25	4/13/2016
25	Execute acceptance tests for off-white background	0.25	4/14/2016
26	Write acceptance criteria for solo reading	0.5	4/13/2016
26	Write acceptance tests for solo reading	0.5	4/13/2016
26	Write source code for solo reading	3	4/14/2016
26	Review source code for solo reading	1	4/14/2016
26	Write unit tests for solo reading	1	4/14/2016
26	Execute acceptance tests for solo reading	1	4/15/2016
26	Write internal documentation for solo reading	0.5	4/15/2016
26	Write user manual for solo reading	0.5	4/15/2016
27	Write source code for portrait and landscape modes	6	4/14/2016
27	Review source code for portrait and landscape modes	0.5	4/14/2016
27	Write unit tests for portrait and landscape modes	1	4/14/2016
27	Write acceptance criteria for portrait and landscape modes	0.5	4/14/2016
27	Write acceptance tests for portrait and landscape modes	0.5	4/14/2016

27	Execute acceptance tests for portrait and landscape modes	0.25	4/15/2016
27	Write internal documentation for portrait and landscape modes	1	4/15/2016
28	Write source code for pictures in content	4	4/13/2016
28	Write unit tests for pictures in content	1	4/13/2016
28	Review source code for pictures in content	1	4/14/2016
28	Write acceptance criteria for pictures in content	0.5	4/14/2016
28	Write acceptance tests for pictures in content	0.5	4/14/2016
28	Execute acceptance tests for pictures in content	0.5	4/14/2016
28	Write internal documentation for pictures in content	1	4/15/2016
29	Write source code for adjustable font sizes	3	4/14/2016
29	Review source code for adjustable font sizes	1	4/14/2016
29	Write unit tests for adjustable font sizes	1	4/14/2016
29	Write acceptance criteria for adjustable font sizes	0.5	4/14/2016
29	Write acceptance tests for adjustable font sizes	0.5	4/14/2016
29	Execute acceptance tests for adjustable font sizes	0.5	4/15/2016
29	Write internal documentation for adjustable font sizes	1	4/15/2016
29	Write user manual for adjustable font sizes	1	4/15/2016
32	Write source code for connecting with remote user	16	4/13/2016
32	Review source code for connecting with remote user	2	4/13/2016
32	Write acceptance criteria for connecting with remote user	0.5	4/13/2016
32	Write acceptance tests for connecting with remote user	0.5	4/13/2016
32	Execute acceptance tests for connecting with remote user	1	4/14/2016
32	Write unit tests for connecting with remote user	2	4/15/2016
32	Write internal documentation for connecting with remote user	1	4/15/2016
32	Write user manual for connecting with remote user	1	4/15/2016
33	Write acceptance criteria for connecting with audio	0.5	4/13/2016
33	Write acceptance tests for connecting with audio	0.5	4/13/2016
33	Write source code for connecting with audio	16	4/14/2016
33	Review source code for connecting with audio	1	4/15/2016
33	Write unit tests for connecting with audio	2	4/15/2016

33	Execute acceptance tests for connecting with audio		0.5	4/15/2016
33	Write internal documentation for connecting with audio		1	4/15/2016
33	Write user manual for connecting with audio		1	4/15/2016
